STRENGTH

• Quick Learner

Learning new skills, technologies, and roles is an adventure and desirable event for me.

• Effective Communicator

Communication is essential working with a team, hence I have sharpened my communication skill in order to improve my effectiveness.

• Accountability

I take ownership of my actions so that I learn what I did wrong and make amends.

• Adaptability

I remember that change is inevitable and should always be anticipated. Therefore, I break my projects into multiple parts so that if something goes wrong, I can quickly fix it.

• Team Leader

Good at making a statement, setting clear goals, influencing people, and keeping them on the right track.

• Time Manager

I prioritize essential tasks so they are not rushed yet done within the specified time.
